PRESIDENT'S MESSAGE

Steve Kennedy, 2012 President

Hello. My name is Steve Kennedy and I am a classic car owner. I have a bad habit of scanning used car ads every day. I look in Ebay and Craigslist mostly but sometimes some auctions. I always look for Triumphs and MGs but also browse for VWs and Mitsubishi Monteros. This is not a good habit because I already have too many cars (now at a 5 count) for just two drivers. I regret selling almost every car I've owned so I'm always on the lookout. I really don't know the cure for this ailment even if I had unlimited money, which I don't. I noticed a nice TR6 for sale online locally today. Nice color car at a decent price. Oh my, what should I do? I think a rough tax time may save me this year, but the craving is still strong. I gave up smoking, drinking and coffee, but this one is tough. I thought of selling all my cars and maybe buy one E type, but I know the empty spaces in my garage would fill soon enough. They call the GT6 the poor man's E type and it's true. So, for now, Jaguars and Healeys are off the table. Who am I kidding? If the right basket case came along, I would store it in my bedroom if needed. It seems this sickness is rampant in our club. It does make me feel more normal being surrounded by people with my condition. Kate Payne and my Aly must be paying some penance to put up with such people. I'm in good company here at the BACLV indeed. Did I mention that a friend of mine has a Sunbeam Tiger for sale? I'm glad that I like little cars that I can fit in my garage and driveway without violating our HOA parking rules. Of course, I'm on the HOA Board so maybe we can come up with a classic car exemption? Or, maybe I can start storing cars at my parents house, or Aly's Dad's house again? Maybe I might be able to hide a car or two at work for awhile unnoticed? Do you get the idea yet? You may have already been to therapy for this? If so, please forward any good doctor names (or prescriptions) to me before the neighbors show up with pitchforks and torches! I can only hope it's not hereditary, but I do love spending time in the garage with Andrew. Another friend of a friend is selling a 1969 VW Beetle Autostick with less than nine thousand miles on it.

Would a pair of Bugs be such a sin?.....*Steve*

EASTER

REQUEST FOR HOST

I have had wonderful response to volunteers for Committee help and hosts of events this year. We are still missing a couple of key people. Need a host for Mother's Day Brunch on May 13th (at Paiute Golf Course?). This is a great event that the Welbaum's have dialed in. I promise it will be easy. I don't mind hosting it myself, but it would be a perfect opportunity for someone to introduce themselves into club activities or, someone who has been with us for awhile sitting on the sidelines. It's time to get into the game. The other positions needed are for Publicity and/or Merchandising. You can make these spots as involved as you like. Thanks again for getting involved. This club is made up of amazing people……..*Steve*

BRITISH AUTO CLUB LAS VEGAS

BRITISH EUROPEAN AUTO TOUR

B.E.A.Tour April 21 & 22, 2012 (non BACLV event)

Since the BACLV April garage sale doesn't interfere with the annual B.E.A.Tour (**B**ritish-**E**uropean **A**uto **T**our) being held in Arizona this year on April 21st & 22nd, I expect to see some of our club members participate in this fun event since you don't have the excuse of conflicted timing. You must drive a British or European car and the total number of participants is limited to 150 cars; first come, first served.

Have you signed up yet? Go to www.beataz.com to register. Fill in the information. The next day you should receive email confirmation of your registration (if they still have room for you). Mail in your check for the proper amount immediately to guarantee your place in this fun run. Be sure to read (after you register) the description of the route. You will be excited! Go to Google Maps http://maps.google.com and zero in on Wickenburg, AZ. Go north on Hwy 93 to Hwy 97 which turns into Hwy 96, then to Bagdad Hwy to Kirkland Road to Hwy 89 on to Prescott. That piece of road will test your driving skills. While this is a non-BACLV event, I like to attend because it's so much fun.

I'm going to Phoenix for the start. My right navigator's seat is open or, you can drive. If you're going, please let me know at eagle4521@cox.net ……..*Mike Perger*

EX-CHICAGO JUDGE MORT ZWICK PRESIDES OVER BACLV'S FIRST EVER PADDLE TRIAL

FEBRUARY 26, 2012 *Written & Submitted by Allen Rosoff*
For BACLV April 2012 Spanner Newsletter

During the General Membership Meeting held on February 26, 2012, two members of our club, having each been simultaneously determined to be possible recipients of the "TRAVELING PADDLE AWARD", appeared before the BACLV District Court with the Honorable Judge Mort Zwick presiding. Both incidents leading up to this determination occurred during the "Tune & Tech Session" on February 4, 2012 at the home of BACLV member Jonas Payne. In the case of member Bill Wellbaum, a lengthy process of bleeding the brakes on his 1975 TR6 could not resolve the problem and the vehicle was unable to proceed that day. In the case of member Al Seminatore, shortly after leaving the event, his 1962 AH broke down, was unable to proceed, and had to be rescued by two other members. As the court convened, Bill Wellbaum read aloud to the attending membership, the section of the BACLV Revised Statutes pertaining to the "Traveling Paddle Award". The two defendants then proceeded, one at a time, to plead their defense in front of Judge Zwick. While Bill Wellbaum's defense involved problems with "parts" in the braking system, Al Seminatore said that his malfunction involved an auto mechanic more than himself. Judge Zwick sternly reminded both parties that "incompetence" was NOT a recognizable defense.

Having heard their arguments, Judge Zwick made the determination that both incidents were subject to the conditions specified for receiving the award, and therefore they will share equally in its possession. They will alternately retain ownership approximately every six months until such time as another member shall have the honor of qualifying for this prestigious award. The previous holder of the "Paddle", Susie Rosoff, was a little reluctant and somewhat saddened to give it up (not), having grown attached to it during the two years it was in her possession. The BACLV membership should take note that if another major judicial issue should occur, the Board Of Directors would not hesitate to convene the BACLV District Court with the Honorable Judge Mort Zwick from Chicago (a city known for its judicial integrity & strict adherence to the law) presiding.

CAUGHT IN THE HEADLIGHTS

Welcome New Members Art & Jackie Guzman

As submitted by Art Guzman to our Welcome Committee, David & Clara Ogle
For BACLV April 2012 Spanner Newsletter

We'd like to introduce Art & Jackie Guzman to the BACLV. Upon retirement, Art & Jackie bought their home in Henderson in October 2011 and moved in permanently in January 2012. They hail from Oceanside, California. By the way, they love retirement and are thoroughly enjoying the Vegas Valley and their beautiful home which they share with their dog, Misty.

So, how did they hear about the BACLV? That's thanks to Dick & Bonnie Schneider. The two couples became acquainted when they both attended car shows in California. So, when Art & Jackie moved here, Dick & Bonnie invited them to the Sweetheart Brunch and to join the BACLV. By Joining our club, Art said he would like to see us being proactive in sponsoring car shows and in attending others we are invited to.

Welcome Art & Jackie!

Art & Jackie started out as MGA owners. About six years ago, Art got a yearning for a XJS two seat convertible. He found a beautiful one, a 1986 Jag XJS convertible, white with a blue top. It had 26,000 original miles. He was thrilled but Jackie had yet to see it. Art was anxious for Jackie to see it, but Jackie wasn't. She didn't like the color scheme. When she finally saw it, she was impressed and now they have an Award-Winning car! Through the Jaguar Club of North America, they are the 2010 and 2011 JCNA National Champions in the C15A Class. They are going to the Jaguar meeting in Arizona this month and are pursuing a win for 2012. Jackie's everyday car is a 1995 Jag XJ6 Saloon (X300). They have a total Jaguar garage!

Along with their love of cars, Art is an avid golfer and Jackie is an artist in the craft of macramé. She has exhibited her works and now, several of them adorn the walls of her home. Time to go. Art & Jackie have an appointment to check out the slot machines that Vegas offers. No, they are not on their way to a casino; they want to buy two slot machines for their game room. Hope they find "loose" ones.

ANNUAL ST. PATRICK'S DAY RALLY REPORT
Held Saturday, March 17, 2012

Hosted by Susie & Allen Rosoff
Co-hosted by Jim & Marilyn Stroncek
For BACLV April 2012 Spanner Newsletter

Hosts, Allen & Susie Rosoff / Co-Hosts Jim & Marilyn Stroncek

With a great effort by the Hosts & Co-Hosts, they were able to provide weather conditions for this "Rally" very close to conditions experienced in the UK. The weather was apparently a factor in the number of people that did attend, as participation was slightly less than anticipated. The event began at Tom Foolery Pub & Eatery with participants arriving early to register and enjoy an excellent breakfast before heading out. Fifteen cars signed up, including one from Jaguar Club of LV, one from Sin City Mini Club, and one guest of Kate & Jonas Payne. The fun began around 9:45 am when the cars started out in 2 minute intervals.

Not aware of any rule requiring every car to travel the exact same route, the Hosts & Co-Hosts directed every other car in a different route around the "Henderson Pavilion", just in case participants were in the habit of following each other through the course. The next major challenge was at Desert Bloom Park where two Leprechauns were guarding a "Pot Of Gold" containing many gold (chocolate) coins with a declared value of $1000 each. It was up to the participants to guess the number of coins, then, using the declared value to calculate a total value for all the coins. Points were given based on how close their estimate was to the actual value.

A little further on the route was the Ethiopian Christians Fellowship Church where a 2-point bonus question required interpreting the Ethiopian language on the top of their sign. For those who were fluent in the language, this was a breeze. Others, however, just went inside and asked! (Since the Ethiopian and English lines contained four words, the answer should have been obvious.) Rolling along Las Vegas Blvd., the cars are directed toward the "Glass Pool Inn" sign (only thing left of that well-known establishment) which, as owner/operators, represents a major portion of Allen & Susie's lives. The list of filming there, from movies to music videos to TV shows, etc. is quite long and the Glass Pool was well known as the first themed property on the Las Vegas Strip. The pool windows at this icon were recognized world-wide.

The rally terminated at "Mad Matty's" where the final challenge awaited everyone. The Hosts & Co-Hosts created their own form of "Beer Pong" without, of course, any beer. Needless to say, our rally people were not extremely proficient in bouncing a ping pong ball into small containers at the other end of the table. Last item was a 2-point bonus question about why all manholes in the street are round. This question was given to Allen & Susie from their daughter, Amy, who was asked that particular question during an interview for "Flight Dispatcher" with an airline. Go figure the connection! (Answer: because round lids cannot fall into the hole like a square one could.)

First Place winners were Bill Goodman & Katrina Nicosia who received a $50 Gift Certificate at Carrabba's Restaurant. Second Place winners were Chris & Dave Tunison from the Sin City Mini Club; the "Rally God" has finally smiled upon the BACLV! After previously winning (but not second place), they have now been awarded our infamous "Murphy Trophy" (a trophy composed of old British car parts attached together to which each new winner then adds even more parts) and last BUT NOT LEAST they also won the honor to host next year's St. Patrick's Day Rally. Third Place winner was Dick & Bonnie Schneider who received a $30 Gift Certificate at Carrabba's Restaurant. Additionally, a refund of the $10 Entry Fee was given for the following three prizes. To Bill Goodman & Katrina Nicosia for guessing the closest to the total coin value, to Al Bowman & Bill Mahler for highest score in the "Beer Pong", and to Simon & Jane James who made absolutely sure that they would not come in second by coming in last.

While waiting for the final tally on the scores, Jim & Marilyn Stroncek distributed all delicious 380 gold chocolate coins in small Leprechaun hats to the attendees for dessert (at a value of $1000 each, they had better taste excellent). The food at Mad Matty's was very good and from the festive attitude of all in attendance, it is pretty obvious that everyone had a most enjoyable time. In closing, let it be known that the Hosts, Allen & Susie Rosoff, and Co-Hosts, Jim & Marilyn Stroncek, enjoyed planning and directing this great event with the thought in mind, "Would love to do it again, but not too soon"……..*Allen Rosoff*

MARY ANDERSON
Inventor of the Windshield Wiper

For BACLV April 2012 Spanner Newsletter

Ron Couturier
Technical Editor

Can you imagine trying to drive your car in the rain or sleeting snow without windshield wipers? Well, before 1920 that is what drivers had to do. The windshield wiper did not become standard equipment on automobiles until 1920. The inventor of the windshield wiper was a woman by the name of Mary Anderson. She was born in Greene County, Alabama in 1866. At the age of 23 she moved to Birmingham, Alabama with her widowed mother and sister. Mary had become a real estate developer and built the Fairmont Apartments on Highland Avenue in Birmingham while living there.

By 1893, Mary had moved west to Fresno, California where she operated a cattle ranch and vineyard. During the winter of 1903, she traveled to New York City. While she was there she observed drivers stopping their cars, and getting out to remove sleeting snow from their windshields. This gave her an idea about a device that could be operated inside the car that would clean a windshield during inclement weather. She had plans drawn up and had a commercial company build a working model. The device consisted of a spring loaded swinging arm with a rubber blade that would be operated inside the car using a lever.

In 1905, she was granted a patent for the windshield wiper. She later tried to sell the rights to a Canadian company, but they rejected her application saying, "We do not consider it to be of such commercial value as would warrant our undertaking its sale". After her patent expired, the windshield wiper, using her basic design, became standard equipment on American automobiles.

Happy Motoring……..Ron Couturier

BACLV GENERAL MEMBERSHIP MEETING MINUTES

February 26, 2012 *Submitted by Secretary Nelda Lefler*

President Steve Kennedy opened the meeting at 10:10 am and called on Membership Chair Bill Wellbaum who welcomed returning members Bill & Tami Dye along with new members Art & Jackie Guzman who have two Jags. Steve thanked members who responded to our two open "Appointed" positions. He asked if anyone would be interested in license plate frames, shirts and other items with the BACLV logo and if they knew a vendor who could handle this? Steve wanted to know if anyone has a good slogan we could use in our advertising venues to promote the club. Ron Couturier was introduced as our new club Liaison Chairman along with David & Clara Ogle as our new Welcome Committee Chairs.

Events Chair: Jonas & Kate reviewed the 2-4 Tune & Tech event. It was successful with 6 cars worked on.

Upcoming Events: St. Patty's Day Rally is next on the 17th (see flyer in newsletter); Chili Night/Garage Sale is on 4-13 & 14; we need all your junk & treasures as well as your tables and selling expertise. Reminded members to contact Mike Perger if they wanted to participate in the Arizona 4-21 & 22 BEATour. Asked for a Mother's Day Brunch host for May 13th. Bill Wellbaum offered to mentor a volunteer.

Treasurer: Treasurer Al Lindahl was not present.

Website/Newsletter: Allen asked members to send their LBC updates to Steve asap.

Paddle "Trial': This trial was a new event because there were two members now eligible for the Paddle. Bill Wellbaum and Al & Pat Seminatore. The Honorable Judge (member) Mort Zwick presided with each plantiff submitting their "evidence" of who deserved to receive the paddle. It was decided both parties would share it for 6 months each, starting with the Seminatores until such time someone else had a 10-minute breakdown. (Editors Note: See page 4 for Allen's report on this trial.)

Raffle: Jim Shope conducted the raffle and collected $110 for the club treasury. Winners were Sandy Kilgour and Al Bowman.
